

Professional cleaning that wouldn't let you down!

The SW8000 is designed with attention to details that matters to you such as better safety features, easier operator control, simple maintenance and function features that provide better performance, reliability and a lower total cost of cleaning.

Choose between 4-cylinder diesel engine or LPG models.

- The unique DustGuard™ feature with misting nozzles sprays a fine fog of moisture to the front and side brooms, effectively controlling airborne dust for a cleaner environment.
- The main broom 1.3 m sweeping path is the widest in the industry, providing you better performance and faster cleaning.
- With side brooms the total cleaning width is 2 metres.
- The strong polyethylene covers offer a high driving protection and absorbs bumps. At the same time, they are fully recyclable in line with Nilfisk's environmental awareness policy.
- Eligible for 3 year warranty (conditions apply)

The Nilfisk SW8000 puts you in the driver's seat of the most advanced and innovative industrial class ride-on sweeper. With its extraordinary 2 metre wide sweeping path, the SW8000 lets you sweep and clean large areas, such as car parks, warehouses and factory floors with ease.

Pictured model shows SW8000 with optional second side broom fitted.
